Senior Verification

To qualify for Senior verification and access to fiat currency deposits and withdrawals, please use the link below to schedule a video call with one of our specialists.

Please ensure your passport or another valid document is ready to read the MRZ code and facial recognition. If you reside in a country different from your citizenship, please also provide a residence permit for that country during the video call.

Providing false information beforehand will be reported to relevant authorities, banks, and KYC/AML providers, resulting in special markings on your profile.

To schedule a video call at your convenience, please use the following link: ➔

<https://calendly.com/onboarding-ts4>

Once you have booked a time slot, please use the link
<https://start.ondato.com/clients/gup-ch> to access the video call.

We advise preparing in advance for the video call and ensuring optimal video quality for the verification process.

If you have any questions or encounter any issues, please don't hesitate to contact our [support team](#).

Consent for personal data processing

In simple words:

- In order to use the services you need to perform identity verification process, where biometric data of your face and data from your document will be captured through camera and processed.
- UAB "Ondato" stores the personal data for no longer than it is obliged by the company which services you want to use.
- You can always submit request regarding your personal data for more detailed information at support@ondato.com or check Service Provider policy.

Legal version:

Required data

In order to obtain the service from the Service Provider, with this consent I express my agreement that UAB "Ondato" will receive and manage my personal data, including my biometric data, gained from remote identification of my personal identity by taking and/or filming live image of my face, my person's identity or the document used to identify it and/or their image and the personal data contained in them and/or check in the population registry: image of my face, name, surname, nationality, gender, personal code, date of birth, numbers of the document that is being used, date of issue and validity, my signature and the transfer of such data to the Service Provider.

Data processing

I also note that I am informed that the controller of my personal data, including my biometric data, specified in this consent is the Service Provider and UAB "Ondato" will process my personal data only until the remote identification procedure is over and the results will be transferred to the Service Provider. I also declare that I am informed and agree that my personal data obtained for remote identification and its purposes may be stored by UAB "Ondato" for longer period of time than it takes for the identification to be completed or transmission of its results to the Service Provider, but only at the request of the Service Provider or UAB Ondato's contractual obligation to the Service Provider, but not longer than it is defined in the Contract that was signed between UAB "Ondato" and Service Provider or requested by the Service Provider.

Data handling

I am informed, that I can submit request regarding my personal data for more detailed information at support@ondato.com.

Hereby I declare and confirm, that all the personal data I will provide for remote identification of my personal identity purpose, are correct and accurate, and the document, which I will use for this purpose is not false and valid.
